

Farm Rich products recalled over E. coli fears

March 29 2013

(AP)—Rich Products Corp. has announced a voluntary recall of its Farm Rich Mini Quesadillas and other Farm Rich products because of a possible contamination with E. coli bacteria.

The recall, announced Thursday, also includes the Buffalo, N.Y.-based company's Farm Rich Mini Pizza Slices, Farm Rich Philly Cheese Steaks, Farm Rich Mozzarella Bites and Market Day Mozzarella Bites.

The products were distributed in [retail stores](#) nationwide. The company says it's working with the Food Safety Inspection Service in the U.S. [Department of Agriculture](#) to identify the possible source of contamination.

[Health officials](#) say symptoms of E. coli infection could occur up to 10 days after exposure and can include diarrhea, abdominal cramps, nausea and vomiting.

Consumers with questions about the recall can call 1-8888-220-5955 or visit the company's website at www.farmrich.com .
