

## Cutting insurance eligibility ups peds hospitalization cost burden

July 13 2018

---

(HealthDay)—Reducing public insurance (Medicaid and the Children's

Health Insurance Program) income eligibility limits would result in large numbers of newly ineligible pediatric hospitalizations, according to a study published online July 9 in *Pediatrics*.

Jessica L. Bettenhausen, M.D., from the University of Missouri-Kansas City, and colleagues conducted a [retrospective cohort study](#) using the 2014 State Inpatient Databases for all pediatric (age,
