

New research reveals pharma companies are more profitable than most S&P 500 companies

March 3 2020

Profitability of Large Pharmaceutical Companies Compared with Other Large Public Companies Fred D. Ledley, Sarah Shonka McCoy, Gregory Vaughan, Ekaterina Galkina Cleary
Journal of the American Medical Association, 2020;239(9):1-10,

A study from the Center for Integration of Science and Industry at Bentley University compares the annual profits of 35 pharmaceutical companies to 357 D&P 500 companies. The net income margin of pharmaceutical companies was larger than that of S&P 500 companies (median 13.8% vs 7.7%, p
