

3 children hospitalized in Puerto Rico after lightning strikes beach

May 28 2024

Did you know: lightning can strike the same place multiple times? For example, the Empire State Building is reportedly struck by lightning roughly 23 times per year. Credit: Pixabay/CC0 Public Domain

Lightning struck a beach in the northern coastal town of Isabela during

inclement weather Monday, injuring three children, one seriously, Puerto Rican police said.

The [children](#), whose ages ranged from 7 to 12, were taken to a hospital in the nearby town of Aguadilla, a police statement said. The oldest youngster was listed in serious condition, it said.

No further details were released.
